

Elk of the Month

My First Elk of the month goes out to a person who has been there at almost every single event whether she wanted to or not! She started helping out in the kitchen, scrubbing walls in the kitchen, refrigerator, floors, help cooking, etc. before she was even an elk, she also has served in the dining room, washed dishes, many times, (she loves to wash the pots N pans) she has been a great help to this lodge along with her guy Ron (the gourmet Cook) before and after she became an Elk and now she is our Chaplain. Sherry Chambers aka "**TURBO**" you are our Elk of the month for May!! Enjoy your very own parking spot!! Love ya!
