

Elk of the Month

This month's Elks are a dual. It is Don and Barbara Senior. They worked so hard to plan and prepare for the Children's Christmas party and they both deserve great recognition for organizing it. Both Don and Barbara spent many many hours over the last couple months pulling this event together. Barbara had it organized to a tee and everything went off like clockwork. She personally shopped for and solicited gifts from the stores for this group of children which was 30% larger than last years group of children. They both organized several volunteers and worked to get all the gifts categorized, wrapped and collated to the correct school and individual child. Don also provided a lot of the set up and tear down labor. Don of course played St. Nicholas and everybody could tell he enjoys this interaction with the kids so much and he is a natural at it. Barbara's organizational skills will go along way toward our Children's Christmas parties in the future. I for one and hopefully all of you will let them know how much we appreciate the work they did.
