

## *Elk of the Month*

Elk of the month for March is Ray Kujawa. Ray and Phyllis have been behind the scenes almost every month doing something for the lodge. Ray is instrumental in the Ladies of the Elks recycling program which brings money to the lodge. Both Ray and Phyllis have stepped up on numerous occasions and been involved in the lodge cleanup. Phyllis and Ray have helped in the Elks Crossing collating, folding and stapling. I have always been able to count on them to do what needs to be done at the lodge. Ray has also set up the penny raffle and is an enthusiastic salesman for the Elks Lodge causes. They live in Mariposa and still show up faithfully for dinners, events, programs and work. They are on serving team number 4 and Ray is the captain of that team. He works hard on behalf of the Lodge. Please let them know of your appreciation for all they do.
