

## *Elk of the Month*

The Elk of the month for April is Ron Hewitson. This whole last year Ron has helped in the background so many times that I could not even count them. This last month Ron has been helping with the painting. He alone has painted the trim on the back lodge building and done some touch up paint on the main building. In addition, he has blown the leaves from the entry of the lodge and bar almost on a daily basis. When it comes to cleaning up around the lodge I have always been able to count on him being there. I applaud him for his conviction to this lodge and his hard work. In the winter months he removed the snow from the entries. Ron can never sit still. When he is at the lodge, he is always doing something for the betterment of the event or the lodge. He takes out boxes, sells raffle tickets or whatever else need to be done.

Outgoing Exalted Ruler, Wayne Klinger
